Theater arts, photography (using student phones), Eco-arts, puppetry, science art/bubble-making are just some of the requests we've had.

Please share with friends who are teaching artists and join us! MUST provide a resume and be able to obtain a clean BCI. Feel free to contact me: gcris@thinkfeelcreate.org, and we will get back with all the details. **Link to our posting on Facebook:** [\(3\) The CORE Organization | Facebook](#)
