Who are Your Elected Officials?

State House, Senate, and Congressional Districts. Knowing what State House, Senate, and Congressional Districts you are in is important. As a state agency, we want to be sure we are supporting projects around the state. We also notify legislators what projects are receiving grants in their districts so they understand how RISCA is distributing tax payer money and that we are doing so in their districts. We also encourage you to reach out to the legislators and invite them to your project or let them know of its success or accomplishments, whether you are funded or not. For your legislators to do their work well, they need to hear from you and understand how your work is important to your community.

To look up who your elected officials are, please visit the Rhode Island Secretary of State website: <http://www.sos.ri.gov/vic>

1. From the dashboard on the RI Secretary of State website, click **“Find Your Elected Officials”**.
2. **Next, enter the address** in the fields provided (on the voter website) in which your business address (or that of your fiscal sponsor, if you are using one) is located. This must be a street address and NOT a post office box. Click **“CONTINUE”**.
3. On the next page you will see a list of **“Your Elected Officials”**. Please use this list as reference when answering the questions below. Note: Names in drop down list are sorted alphabetically by first name.
